Meet the Teacher

Hello kindergartners! My name is Mrs. Plemons and I'm thrilled to be your teacher this year. This is my fifth year as a Horace Mann Panther and I cannot wait to share a year of fun and learning with you. I attended college at UW-Milwaukee. I just love learning so much that after I began teaching I decided to go back to school at Alverno College because I wanted to learn even more!

When I'm not planning learning and fun for our class I love swimming, shopping, and spending time with my wonderful family. I hope you are ready for an exciting and successful year!
