

Math Journal: Place Value

Name: _____

Math Journal Expectations

1. Have a positive attitude.
2. Don't give up!
3. Use problem solving strategies.
4. Work together, but do your own thinking.
5. Explain your thinking.
6. Be neat and organized.

2. Count out 13 counters. Fill a ten frame. How many leftover counters do you have? Record and repeat with another ten number.

4. Use your 0-9 cards to make 2 two digit numbers. Write the numbers and use the symbols $<$ $>$ $=$ to compare them.

8. Kelly adds 2 two digit numbers that both end in zero and says that the sum is 70. What might the two numbers be? Show as many different solutions as you can.

2. Count out 13 counters.
Fill a ten frame. How many
leftover counters do you
have? Record and repeat
with another teen number.

2. Count out 13 counters.
Fill a ten frame. How many
leftover counters do you
have? Record and repeat
with another teen number.

2. Count out 13 counters.
Fill a ten frame. How many
