Super Spiders

Directions: Draw and write about how you used the illustrations in the text.

I read

Spiders are not insects. Their bodies have two parts. Insect bodies have three parts.

I saw

I learned

Another way that spiders and insects are different is the number of legs they have in their body. I thought spiders just had more legs.

I learned

Spiders and insects are different because of the number of legs they have. Spiders have two legs and insects have three legs.

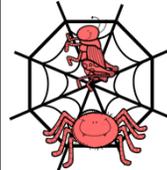

Second Grade

Spiders don't have noses or ears.

They smell, hear, and taste with their legs!

A spider can eat 2000 bugs in a year.

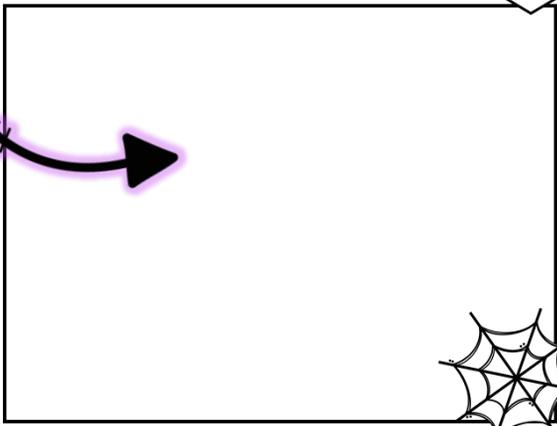

They really need their webs to catch lots of prey!
